

LARK CREEK® RESTAURANT GROUP'S
ANNUAL TOMATO FESTIVAL

CELEBRATE TOMATOES

DURING the MONTH of AUGUST

In this era of jet-fresh vegetables – when your dinner may have more frequent flier miles than you do – there are precious few reminders of seasonality. The heirloom tomato is one of them.

Throughout August, the height of the season, we'll feature tomatoes all over our menus. Be sure to visit your favorite restaurant this month and celebrate the best of the season.
